

## Partnership with ECHO

In 2007 we signed with DG Echo the Framework Partnership Agreement which allows us to work with the European Union on emergency, post emergency and disaster prevention projects, allowing us to respond to emergencies and humanitarian crisis. To better know Echo's work [click here](#) .

Projects in this fields are carried out in Palestine; we operate to better Palestinian shepard's life in the field of food security (first e second part) and e water .
